

I am a magician and have been practicing magick for over three years, with the desired result and know-how. I offer my services and can summon spirits to help customers get what they want. Drop me a private message or contact me to tell me what you want before you order. See [here](#) for astrological services and related, and [here](#) for my e-course. Also, [here](#) for my e-course in Magick & [here](#) for my Egregore store.

Examples of what can be done/ worked on:

- Quit addictions, e.g. smoking.
- Dealing in love matters, e.g getting back a lover or breaking people up.
- Getting a better job or making more money.
- Know one-self and self-ascension, e.g. your skills and related.
- Esoteric knowledge, e.g. your past live(s) and your guides.
- Becoming stronger, mentally as well as physically.
- Help in law matters, e.g. court cases.
- Destroying an enemy.
- Help in moving abroad.
- Help in studying or learning a subject in record time.
- Wanting to remain unseen, or do something that requires secrecy.
- Healing an illness, be it mentally or physically, e.g. mental disorders and illness.
- Becoming popular and gaining friends.
- Obtaining sex.
- Mastering any art, e.g. painting.
- Child wishes, if one is barren.

See my [webshops](#) for prices, rates, etc; shortly summarized, it is as following (all prices are in USD):

- **An Astrological reading is \$100.**
- **Detailed information on a case with the forecast on the potential chances/outcome in solving it/them is \$450.**
- **Magickal workings are, depending on the severity, either \$600 or \$1200; the \$1200 means that I'll be working with a spirit towards your goal. The \$600 is a**
