

Fro'ghla'tasch from EA Koetting's book of Azazel is another spirit that is adept at love/ sex related matters. I also invoked Him way back and again, no result. But again, due to a lack of opportunities than anything else. Here below a page out of His book:

Fro'ghla'tasch often materializes first in the form of an animal, and then quickly assumes the shape of a man or a woman. Since I have yet to collect notes from other Evocators on this demon, I only have my experience to draw from, and from that experience I have seen that Fro'ghla'tasch most often initially comes in the form of a wolf, and then most often changes into the form of a woman in a long, tight, silken dress. I imagine that the subconscious desires of the Evocator are accessed in order to create an alluring image to manifest in, though, and would therefore change with each Evocator.

Fro'ghla'tasch is capable of fulfilling every sexual, intimate, or emotional need, calling into the life of the Evocator a lover, spouse, a friend, or any person that is able to help fulfill the specific needs of the Evocator, whether such a person already exists in his or her life and is unresponsive, or if that person is called out of a crowd of strangers from great distances to the Summoner's doorstep.

I can't remember what Fro'ghla'tasch looked like when I summoned Him, but he is Venusian in nature (Libra, 2°) & quite skilled when it comes to related matters, so yes: Love & sex and

building/ creating any kind of relationship with someone, whether it be social, friendship or more is doable with Him. He will do so in a good and balancing way. Very interesting to see an infernal being so sensitive and working in such a cool manner.
