

I'll cover Beleth in this article, Goetic spirit # 13, since someone on one of my videos asked me to do so and I happen to already have the information on Him from a past matter; it was the case that a would-be client asked me about Him and wanted to work with Him.

Beleth is said to be able to get you love from others as His description states " *This Great King Beleth causeth all the love that may be, both of men and of women, until the Master Exorcist hath had his desire fulfilled.* "

Beleth is Mercurial (Virgo, 4°) and a persevering one at that- love is not his specialty, as He covers general virgo affairs, e.g. physical health, work-related matters, being helpful to others, craftsmanship etc. He will do one well nevertheless, due to these attributes. His seals are the featured/ header image.
