

I'll be covering the goetic spirit Glasya-Labolas today; below said description:

*"The Twenty-fifth Spirit is Glasya-Labolas. He is a Mighty President and Earl, and showeth himself in the form of a Dog with Wings like a Gryphon. He teacheth all Arts and Sciences in an instant, and is an Author of Bloodshed and Manslaughter. He teacheth all things Past, and to Come. If desired he causeth the love both of Friends and of Foes. He can make a Man to go Invisible".*

In short, the only thing correct in here is the teaching of arts and related; the rest is dead wrong. He is Jupiterian (29°-artist) and is an allrounder, with strong Capricornian traits; skilled in making one talented & successful in practically anything that is an artform. Glasya is very keen on helping an operator and cares for his/ her well-being. See the video for more information:
