

I'm a Ceremonial magician in the Western tradition and this blog is my online diary of the spirits I've summoned and/ or work with; For me, results only matter at the end of the day. My patron and guiding deity is the Archangel of the 5th Heaven & Mars, Lord Samael and my vice-patron & financial manager is the archangel Sandalphon. Glory to them, for my loyalty to them is eternal. For more information on me, see [here](#).
